KIDS ALIVE INTERNATIONAL

Sponsoring a child says

"I believe
in you!"

www.kidsalive.org

Changing the lives of at-risk children through sponsorship!

You can help rescue a desperate child and provide them with safe shelter, nutritious food, health care, quality education, and the tools they need to succeed.

Your investment in their lives means they can go on to create their own strong families and healthy communities, breaking crippling cycles of generational poverty.

As a sponsor, you'll develop a meaningful relationship with your child. And you'll be able to teach the children in your life the importance of sharing with those in need through your example.

Best of all, you'll be part of introducing your child to the good news of Jesus Christ and their eternal hope in Him!

What does Kids Alive do?

Kids Alive rescues and ministers to orphans and other vulnerable and at-risk children around the world who lack access to life-changing resources. All children in our care come out of crisis situations. Many are orphans; others were abandoned or abused by their families. Some have been living on the streets, and many are victims of war, severe poverty, disease, or are at risk of child trafficking.

Our unique ministry model provides 24/7 care for orphans and abandoned kids in our family-style homes, staffed by loving Christian caregivers.

But we don't just care for homeless children. Kids Alive care centers, schools, and clinics meet the needs of many impoverished kids who are still able to live with one or both parents.

Your investment through sponsorship helps us provide the basics for survival and the tools to give at-risk kids promising futures.

It's your way of saying,
"I believe in you!"

What does my sponsorship provide?

Each child's situation is different, but depending on individual needs, your sponsorship provides:

- Introduction to the Gospel and spiritual nurture
- Quality education and school uniforms
- Loving caregivers
- Nutritious meals and snacks
- Health and hygiene care
- Family-style homes with Christian house parents for a child who has no home or can't remain at home for safety reasons

What can I expect as a child sponsor?

- Welcome packet, including a photo and brief history of your child
- Annual progress report and current photo
- Letters, cards, and/or drawings from your child throughout each year
- Unique opportunity to impact your child's life through prayer
- The privilege of developing a personal relationship through correspondence and greetings at birthdays and holidays
- Newsletters to learn about how we're working in your child's community
- Access to your own online sponsorship account
- **The joy of knowing your child is learning about the love and saving grace of Jesus**

And with Kids Alive, you have the assurance of knowing that you're sponsoring through an organization with the highest financial and transparency standards of any child sponsorship organization in the world.

Are there other ways to interact with my child?

Each year you'll have the opportunity to give additional monetary gifts to our Treat Fund. This fund provides festive holiday activities and specially selected gifts, chosen by the caregivers who know our kids best. It's one more way to be a blessing to your special child!

From the President

You're holding in your hand the opportunity to make an investment in the life of a precious child – an investment that will pay lifelong and eternal dividends.

Kids Alive celebrated our 100th anniversary in 2016 by reaffirming a century-old commitment to this mission: seeking out and rescuing vulnerable children and offering them loving homes, promising futures, strengthening families, and sharing the eternal hope of the Gospel.

In this new century, we'd like you to join us on this journey!

When you sponsor, you help us offer loving, holistic care to at-risk kids around the world. It's a great way to show a child you believe they're worth investing in.

We commit to you and those we serve that we will:

- Keep Christ at the heart of all we do
- Pursue excellence in every area of our ministry
- Continue to grow and thrive, to serve even more kids

I invite you to take this important step today – sponsor a child and change a life forever!

Will I be the only sponsor for my child?

The cost of holistic, comprehensive care for a child varies widely according to their country and the programs that serve them. Typically, more than one sponsor is needed to provide the level of personal care and attention every child deserves.

How can I activate my child sponsorship?

It's easy! Choose one of the following:

1. Complete the reply device and mail with your payment or credit card authorization (\$39/month or \$468/year) to:

Kids Alive International
2507 Cumberland Drive
PO Box 2117
Valparaiso IN 46384-2117
2. Call (800) 543-7330 to pay by credit card.
3. Go online at www.kidsalive.org and choose the child you'd like to sponsor. You can complete your activation there.

Then, just watch for your Sponsorship Welcome Packet in the mail!
