

Missionary Position: Math Teacher

Field: Dominican Republic	Site: Various Sites
Position Title: Math Teacher	Minimum Commitment Length (1-3 years): 2 years
<p>Brief Job Description:</p> <p>We are looking for a committed Mathematics Teacher to complement our qualified workforce of educators. In this role, you will work with students in a variety of grades and levels to develop or improve their math skills. You will prepare and implement full teaching plans according to the school's requirements. In addition to the knowledge and instruction you provide to the students, you will also help each student develop his/her personality and life skills.</p> <p>You will help cultivate the students' interest and joy in education and be their dedicated ally in their learning and development journey. You will be committed to be an encouraging and empowering member of our team of passionate educators and support staff. Together, you will all care for the students in a way that reflects the love of Jesus and provides a safe environment in which they can learn and grow toward wholeness.</p> <p>Key Responsibilities:</p> <ul style="list-style-type: none"> • Present lessons in a comprehensive manner and use visual/audio means to facilitate learning • Create (when necessary) and distribute educational content (notes, summaries, assignments etc.), in accordance with the school's curriculum plan. • Utilize educational activities and lessons that are appropriate for the age, ability, and particular learning needs of the children • Manage a full record of each student's progress and provide encouragement through frequent feedback • Collaborate regularly with other teachers and parents • Be available to work one-on-one to tutor individual students as needed and as time allows • Be aware of and adaptable to the specific educational, emotional, behavioral challenges of individual children • Maintain a high standard of discipline, both in the classroom and the school • Produce displays of children's work, and generally work toward creating an attractive, stimulating, organized, and tidy learning environment • Participate fully in the wider ministry of the Kids Alive field; attend scheduled Kids Alive prayer meetings and events whenever possible; contribute to general Kids Alive Field activities and other events as appropriate. 	
<p>Minimum Education and Experience:</p> <ul style="list-style-type: none"> • Bachelor's degree in Education-related field, with specialization in mathematics • Experience working with children or adolescents • Preferred preparation and/or experience in Special Education • Teaching Certificate or equivalent experience 	
<p>Key Qualifications Needed:</p> <ul style="list-style-type: none"> • Thorough knowledge of teaching best practices and legal educational guidelines as well as a dedication to the school's policies and procedures • Creative and energetic 	

- Competent in Microsoft Word, PowerPoint, and Excel

All Kids Alive missionaries must demonstrate the following skills and characteristics:

In faith life:

- Agree with our statement of faith
- Have a living and growing relationship with Jesus Christ
- Demonstrate spiritual and emotional maturity, with a well-formed sense of identity in Jesus Christ
- Be active participants in a Christ-professing church/community of faith
- Have experience using their spiritual gifts and skills to serve their local church/community of faith

In personal and social life:

- Have the willingness and humility to learn a new language, culture, and way of life
- Demonstrate social maturity and the ability to form and grow relationships
- Demonstrate the ability to resolve conflict in a Biblical manner, with grace and patience
- Patiently adapt to continuously changing situations and people
- Demonstrate a humble willingness to work under local leadership in the country of ministry
- Manage sensitive situations with discretion and respect

In professional life:

- Demonstrate excellent written and verbal communication skills
- Demonstrate successful employment or entrepreneurship experience
- Demonstrate excellent team/group work experience
- Demonstrate ability to motivate self and work independently within established guidelines
- Demonstrate ability to organize complex information and changing situations
- Be at least 18 years of age, have college or skilled trade program experience; degree preferred
